

1st AIR CAVALRY DIVISION  
Office of the Division Chaplain  
APO SAN FRANCISCO 96490

Thomas Ed Nored

has arrived in the 1st

Cavalry Division (Airmobile). He was greeted by one of the 1st Cav Chaplains who told him about the Religious Program in the Division. The 1st Cav is known as "THE FIRST TEAM", and you may be assured that your loved one is number one on that team, and will be served by the best chaplain support recruited from our American clergymen. Mail from home is a very big morale factor. Frequent and cheerful letters are a delight to the soldier. You may encourage him to continue to support religious services. In Vietnam mail usually takes about 21 days to reach a newly assigned soldier. For serious family emergencies contact your local Red Cross Chapter. Should you need to write to a chaplain, address your letter to:

Unit Chaplain

God Bless You,
